

# TENTATIONS

Luxury Unfolded

Tentations is a patented trailer-tent hybrid that unfolds into a luxurious, 430 sq. ft. enclosed space in under 30 minutes. To meet the diverse needs of our customers—from experiential marketers to boutique hoteliers—we offer three distinct package tiers: Premium, Elite, and Deluxe.

Each configuration includes our insulated core structure, while the Elite and Deluxe tiers introduce upgraded amenities like climate control, spa-style bathrooms and kitchens to elevate the guest experience. This sheet outlines what’s included in each package and highlights optional add-ons that can be customized to your use case—whether you're off-grid or fully connected.
